

	Lab Name	Supervisor Name	Department/School
1	The laboratory of imaging and intelligent technology	DAI Qionghai	Department of Automation
2	Aerosol Lab	JIANG Jingkun	School of Environment
3	Lab for Living Bioelectronics-Tsinghua University	DAI Xiaochuan	School of Biomedical Engineering
4	Dr. Tao Du' s group at Tsinghua IIS	DU Tao	Institute for Interdisciplinary Information Sciences
5	Tsinghua AI for Medicine at Scale (AIMS) Laboratory	ZHOU Hongyu	School of Biomedical Engineering
6	TREES-fuTuRE EcoSystems Lab	Matteo Convertino	Shenzhen International Graduate School
7	Additive Manufacturing Futures Group	ZHAO Cang	Department of Mechanical Engineering
8	Smart Communication and Computing (SCC) Laboratory	DONG Yuhan	Shenzhen International Graduate School
9	Global Change Hydrology Lab	TANG Qihong	Department of Earth System Science
10	Lab of Plant Interaction: Climates, Ecosystems and Atmosphere	WANG Han	Department of Earth System Science
11	Learning and Neural Systems Group	SUI Yanan	School of Aerospace Engineering
12	Laboratory of Cell Biology and Biophysics	LIANG Xin	School of Life Sciences
13	Intelligent Media and Cognition Lab	GAO Yue	School of Software
14	Laboratory of Photon-Phonon Co-driven Catalysis	TANG Junwang	Department of Chemical Engineering
15	Design and Applications of Functional Porous Materials Towards Carbon Neutrality	LIU Zhendong	Department of Chemical Engineering
16	Chen Ligong Laboratory	CHEN Ligong	School of Pharmaceutical Sciences
17	Nanoscale Integrated Circuits and Systems Lab (NICS)	LI Xueqing	Department of Electronic Engineering
18	"Education and Sustainable Development" Research Group	ZHONG Zhou	School of Education
19	The SG Lab	LI Shuguang	Department of Mechanical Engineering
20	4S Cross-Disciplinary Research Laboratory (4S = Structure + Soil + Solid + Sensing)	GU Chen	Department of Civil Engineering

21	Condensed Matter Theory Group at Tsinghua University	XU Yong	Department of Physics
22	Rural Revitalization Center, Tsinghua University	ZHANG Hong	School of Architecture
23	Solid Waste Management and Resource Recovery Laboratory	LI Jinsui	School of Environment
24	DC Research Center of Energy Internet Research Institute, Tsinghua University	XU Zhanqing	Department of Electrical Engineering
25	Electrochemical Energy Storage & Ionic Device Laboratory	ZHANG Yuegang	Department of Physics
26	The Emerging Transportation Solutions Laboratory of the School of Vehicle and Mobility	QU Xiaobo	School of Vehicle and Mobility
27	Theory and Blockchain Lab	CHEN Jing	Department of Computer Science and Technology
28	The Innovation Lab for Digital & Intelligent Offshore Floating Systems	LI Binbin	Shenzhen International Graduate School
29	Ordos Lab	WANG Xiaonan	Department of Chemical Engineering
30	Multiscale Interfacial Transport Laboratory	WANG Moran	School of Aerospace Engineering
31	Information Retrieval Lab at Tsinghua University	ZHANG Min	Department of Computer Science and Technology
32	Center for Data Governance	ZHANG Kaiping	School of Social Sciences
33	Computer Systems Lab	XU Wei	Institute for Interdisciplinary Information Sciences
34	Global Health Intelligence & Innovation Lab	TANG Kun	Vanke School of Public Health
35	Laboratory for Information Theory and Its Applications	CHEN Wei	Department of Electronic Engineering
36	Laboratory of chemical biology	CHU Ling	School of Pharmaceutical Sciences
37	Heat transfer and thermal system group	JIANG Peixue	Department of Energy and Power Engineering
38	Conversational AI, CoAI	HUANG Minlie	Department of Computer Science and Technology
39	Tsinghua-BP Clean Energy Research and Education Centre	MA Linwei	Department of Energy and Power Engineering
40	Functional Organic Supramolecular Chemistry Laboratory	GUO Qinghui	Department of Chemistry
41	Organometallic Chemistry and Synthesis Lab	ZHANG Shaoguang	Department of Chemistry
42	YLGroup	LI Yuan	Department of Chemistry
